	PHS 175/176 Environmental Geology w/ lab	4		Satisfies Physical Science and Earth Science w/ lab	4

(P) Prerequisite – this course has a prerequisite

Transferring Kirkwood Community College credit to Iowa Wesleyan University's Teacher Education Program:

Generally an Associate of Applied Science degree from KCC will confer up to a maximum of 60 semester hours (junior status) upon a student, although credits from it may not satisfy IW's general education requirements, and some particular courses may not be accepted toward the major or satisfy all-college requirements.

An Associate of Arts or an Associate of Science degree from KCC will fulfill most of the IW college-wide Wesleyan Studies course requirements, as well as confer junior status upon the student.

Interested transfer students may earn a bachelor's degree from IW with an Early Childhood Education major, a double major in Early Childhood Education and Elementary Education, or a major in Elementary Education plus an Early Childhood Education endorsement.

Please contact IW's Teacher Education Program for further information: iweducation@iw.edu or 319-385-6312
