- Graduating highly qualified clinicians, Kirkwood's OTA program is **focused on student success**.
- **Kibbie Grant:** Students in this program may be eligible to have half their tuition paid for by the Kibbie Grant. Go to www.kirkwood.edu/Kibbie for more details.

Program Description

OTAs work with patients of all ages and help them learn skills to lead independent lives. They work under the supervision of an occupational therapist to provide hands-on services to clients who are learning new ways to succeed in the occupation of life. At Kirkwood, students will learn to use the latest equipment and techniques to promote their success as they move into their careers.

The primary location for Occupational Therapy Assistant students is the Kirkwood Linn County Regional Center in Hiawatha.

Psychosocial Dysfunction
Physical Dysfunction
Community Health and Special Populations
Pediatric Interventions for the OTA
Geriatric Interventions for the OTA

Accreditation

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE). Graduates of the program are eligible to sit for the national certification exam administered by the National Board for Certification in Occupational Therapy (NBCOT). Successful completion of the exam leads to the Certified Occupational Therapy Assistant (COTA) designation. Most states, including Iowa, require a license to practice. A felony conviction may affect a graduate's ability to sit for the NBCOT certification exam or obtain state licensure.

The Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA)
